

Focused Solutions for the

TRANSPORTATION INDUSTRY

OUR PROGRAM PROVIDES **"ONE STOP SHOP"**
CHEMICAL SOLUTIONS THAT DRIVE PROFITS THROUGH

- Productivity ■
- Operational Efficiency ■
- Customer Experience ■

Zep is proud to offer a complete line of maintenance and facilities products that allow you to focus on repairing and maintaining vehicles.

Why Zep?

Founded in 1937, Zep has been serving maintenance, repair and equipment/vehicle operators. We:

- Deliver high performance products that work right the first time.
- Understand that time is money.
- Are up-to-date on the VOC regulations.
- Provide local and direct sales reps that are focused upon delivering customer solutions.

Zep Specializes In Transportation Needs

Zep provides a high performance assortment of products and services that transportation companies use every day.

- Heavy-duty degreasers for multiple equipment and tool applications (RTU and concentrated).
- Aerosol penetrants, lubricants, and corrosion protectors.
- Greases for both high performance needs and every-day value.
- Parts Washers and pressure washers backed by a service network.
- Hand care.
- Ground maintenance and support (e.g. insecticides/herbicides).
- We work to earn your business the old fashioned way through service, expertise and great products.

GreenLink® is a trademark of Zep® Inc. and not a third party certification. GreenLink® identifies those products meeting Zep's own standards for environmentally preferable products that, among other product-specific criteria, are not formulated with chlorine bleach, ozone depleting ingredients, carcinogens, "butyl" solvent, chlorinated solvents, APE's (Alkylphenol Ethoxylates), reproductive toxins, heavy metals or phthalates. For more information please visit www.zep.com.

HAND CARE

CHERRY BOMB

Heavy-Duty Hand Cleaner with Abrasive

- Uses pumice as abrasive for deep cleaning hands to remove ground in soils, and contains emollients to protect hands from drying out
- Neutralizes petroleum odors
- Key users include maintenance shops, tool and machine shops, truck and equipment repair facilities, etc.

095150

CHERRY BOMB TOWELS

Heavy-Duty Hand Cleaning Towel

- Powerful abrasive towel removes stubborn industrial soils such as grease, tar, carbon, asphalt, inks, resins, paints and adhesives
- Easy on hands. Enriched with emollients to protect hands by replacing skin oils and preventing dryness
- VOC Compliant – meets all current VOC regulations
- Waterless – used wherever/whenever you have dirty hands

4 pails/cs
346601

CHERRY BOMB LV

Heavy-Duty Hand Cleaner with Abrasive for Regulated States

- Powerful Cleaning Action Removes stubborn industrial soils such as grease, tar, carbon, asphalt, inks, resins, paints and adhesives
- Deep Cleaning Pumice scrubs hands to remove ground-in dirt, grease, diesel and other fuels on hands
- Easy on hands. Enriched with emollients to protect hands by replacing skin oils and preventing dryness
- VOC Compliant — meets all current VOC regulations

4-1 gal/cs
329124

TKO

Heavy-Duty Hand Cleaner with Pumice

- Utilizes scrubbing beads to remove ground in dirt and grease
- Uses mild low odor solvents to easily remove heavy soils
- Enriched with Aloe Vera — mild on hands and leaves skin smooth
- Key users include maintenance shops, tool and machine shops, truck and equipment repair facilities, etc.

4-1 gal/cs
R54824

D-4000 PLUS DISPENSER

Hand Soap Dispenser

- Constructed of anodized aluminum and reinforced nylon for a durable, versatile unit that is nearly indestructible
- Stainless steel pumping mechanism is resistant to corrosion, rust and abrasion
- 4-position adjustment controls amount being dispensed
- Holds 1 gallon bottle

1 Unit
600101

SHELL SHOCK

Heavy-Duty Hand Cleaner with Soy Solvents & Walnut Shells

- Shell Shock is a heavy-duty, soy-based hand cleaner, which uses walnut shells as the abrasive component for cutting stubborn soils such as grease, tar, oil, carbon and others
- Free of petroleum solvents
- Key users include manufacturing plants, fleet maintenance facilities and other facilities where grease and grime are prevalent

4-1 gal/cs
084923

Depending on your location, this product may be restricted for use, could require a use exemption or require dilution to maintain product VOC regulation compliance. Please contact your local Zep Rep to review your application, product choices and the appropriate VOC compliance rules for your area.

WATER-BASED DEGREASERS

MORADO SUPER CLEANER

Heavy-Duty, Multi-Purpose Cleaner & Degreaser

- A concentrated, economical, highly alkaline cleaner and degreaser for extra heavy-duty industrial use
- This product's powerful formula quickly and efficiently removes a variety of greasy and carbonaceous soils not readily penetrated by ordinary cleaners
- Do not use this on aluminum
- Key users include engine rebuilders, fleet equipment and heavy maintenance and repair facilities, manufacturing plants, machine shops and others

4-1 gal/cs 085624	5 gal 085635	20 gal 085650	55 gal 085685	275 gal 085689
----------------------	-----------------	------------------	------------------	-------------------

FORMULA 50

Heavy-Duty Alkaline Cleaner

- Formula 50 is a heavy-duty all-purpose cleaner and degreaser with extreme versatility
- Contains a superior proven combination of ingredients that rapidly removes dirt, grease and oil from a variety of surfaces
- When used as directed this product will not harm surfaces, including aluminum
- Key users would include fleet truck maintenance facilities, factory maintenance shops, machine shops and other facilities where a versatile product is needed

12/cs
009601

TRUE BLITZ

VOC Compliant Solvent Degreaser

- Effective aerosol solvent degreaser for removing oil, grease, dirt, and lubricants and is also VOC compliant in all states
- Quickly evaporates from the surface with no rinsing needed
- Leaves no residue – Non-corrosive

12/cs
003801

I.D. BLUE

High Flashpoint Industrial Degreaser

- Non-Flammable – will not create any fire hazard
- Biodegradable – not considered a hazardous waste
- No VOC – complies with all local air regulations
- Key users would include fleet truck maintenance facilities, factory maintenance shops, machine shops and other facilities where a versatile product is needed

5 gal 056835	55 gal 056885
-----------------	------------------

BIG ORANGE

Citrus Industrial Degreaser and Graffiti Remover

- Excellent heavy-duty degreaser for parts, equipment and floors. It may also be used to remove graffiti and mastic from a variety of surfaces.
- Natural citrus solvent with no caustics, acids or distillates
- Generates no harmful vapors
- Completely biodegradable

LUBRICANTS/PENETRANTS

Zep 45 DUALFORCE

Dual-Action Penetrant/Lubricant

- Superior dual-action penetrant and lubricant that doesn't compromise one for the other
- Versatile application allows for a fine mist spray pattern for broad applications or straw for pinpoint streaming in tight areas
- VOC compliant for all current regulations
- Loosens parts that are frozen due to wear, corrosive action or heavy-duty build-up of grease or grime

12/cs
374301

4-1 gal/cs
374524

Zep 45 SIDEWINDER

Super Penetrant

- Superior Penetration – Fast Spreading
- Excellent Rust Busting
- Light Film Lubrication
- Cleaning Action to Dissolve Grease

12/cs
B41801

Zep 45 LUBRIDRY

Dry Silicone - Fast Drying

- H1 Type Lubrication
- Reduced Friction and Squeaking
- Odorless, Colorless and Non-staining Film
- Hexane Free and Non-chlorinated solvents

12/cs
678501

Zep 45 LUBRISIL NC

Wet Silicone

- High concentration of silicone — a little goes a long way
- Silicone lubricants reduce friction, between moving parts for metal-to-metal contact surfaces
- Stops squeaks in wheels, bearings and moving parts
- USDA Rated H-1 – Meets all current VOC regulations

12/cs
325801

Zep 2000

High-Pressure Lubricant Aerosol

- High pressure, clear lubricant with high adhesive strength
- Sprays out as a thin liquid, allowing it to penetrate the tightest of areas, and then rapid evaporation allows grease to set up quickly
- Strongly adheres to surfaces and resists throw-off and squeeze-out when subjected to extreme pressures, vibrations or repeated impact while providing long lasting lubrication
- Key users include metal fabricators, equipment rental and leasing services, fleet maintenance shops, heavy equipment maintenance shops, farm machinery and equipment, railroads, manufacturing, etc.

12/cs
416401

Zep 2000 LV

High-Pressure Lubricant for Regulated States

12/cs
328901

ZEPRESERVE NC

Lubricant and Corrosion Inhibitor

- An all-in-one aerosol lubricant, penetrating agent, moisture displacer and corrosion inhibitor.
- Designed to loosen nuts, bolts, fittings
- Removes rust and preserves metal
- Not for use on painted surfaces or rubber seals
- USDA applicable

12/cs

LUBRICANTS/PENETRANTS

GROOVY V

Lubricant and Anti-Seize

- A heavy-duty industrial grade anti-seize lubricant fortified with copper, aluminum and graphite for metal parts, pipes and threaded fittings in a convenient aerosol package
- Resists washout and salt spray
- Withstands temperature up to 2000°F

12/cs
022101

GROOVY PASTE

Lubricant and Anti-Seize

- Excellent anti-seize paste composed of quality lubricants, anti-corrosion agents and atomized metal in a special solvent base
- Designed for high-temperature, high-pressure use.
- Water resistant, will not wash off
- Coating withstands temperatures of -65°F to +2100°F

12/cs
068701

WHITE LITHIUM GREASE

Aerosol Grease Lubricant

- A multi-purpose lubricant for all metal to metal applications
- It can be used for any type of mechanical moving part and as a corrosion inhibitor for all kinds of metal parts.
- Water resistant

12/cs
331701

DRY MOLY NC

Dry Molybdenum Lubricant

- Provides superior, long-lasting lubrication, under extreme conditions of temperature and pressure
- Convenient aerosol sprays a thin, black coating that adheres readily to most surfaces and dries within seconds
- Contains colloiddally-dispersed molybdenum disulfide in a non-oily base
- Micronized molybdenum disulfide
- Dries rapidly
- High temperature tolerant up to 750°F

12/cs
010601

ZEPLON

Dry PTFE Lubricant

- Concentrated, heavy-duty, long-lasting dry-film lubricant in a handy aerosol can
- This product contains PTFE
- Reduces friction
- Dry film
- Non-staining

12/cs
027601

ALL PURPOSE HI TEMP GREASE

Multi-Purpose, Anti-Spatter Grease

- All-purpose, high-temperature multi-purpose grease that can withstand heavy impacts and pounding pressures, high temperatures, and anti-splatter
- Superior EP performance
- Hydrogen sulfide resistant
- High temperature formula

pH PERFECT

Concentrated Neutral Floor Cleaner

- Low-foam, general-purpose cleaner designed for cleaning most flooring surfaces. Excellent for use in automatic floor scrubbers. Rinses easily, leaving a film-free surface. Neutral pH will not harm floor finishes
- Controlled alkalinity coupled with powerful cleaning action makes this an ideal product for both manual and automatic scrubbing of floor finishes
- Cleans and leaves a pleasant, fresh fragrance behind
- Excellent floor cleaner but can also be used to clean equipment, walls, work surfaces, and other surfaces
- Highly concentrated with dilutions of ½ oz to 2 oz per gallon of water
- Contains only biodegradable detergents and emulsifiers

POWDER KEG

Premium Truck and Car Wash Detergent

- Removes exhaust deposits, mud, grime, and road film from painted truck, car, and trailer surfaces in one application, without brushing
- Formulated with no harsh caustics, acids, or solvents
- Best results achieved by pressure-washer cleaning
- Rinses easily to prevent spotting and streaking
- 1/2 lb per gallon of water creates a "liquid concentrate" which can be further diluted
- All detergents in the product are biodegradable, making it more environmentally-friendly.

ENGINE COMPARTMENT MAINTENANCE

FAST GASKET RED

Gasket Maker - Red

- Handy silicone replacement gasket tool that makes any size or shape gasket to replace cork, paper, asbestos, felt or metal gaskets
- Made from 100% silicone
- Temperature range: -60°F to 550°F
- Stable for hot engine oil and Glycol anti-freeze

12/cs
143201

FAST GASKET BLACK

Gasket Maker - Black

- Black silicone rubber bonding and sealing compound in a convenient pressurized package with "easy-dispensing" nozzle
- Replaces any size/shape gasket of any material
- Handy, 100% silicone replacement gasket maker
- Temperature range: -60°F to 450°F

12/cs
143301

FAST GASKET BLUE

Gasket Maker - Blue

- A blue silicone rubber bonding and sealing compound in a convenient pressurized package
- 100% silicone provides permanent flexibility and adhesion
- Effective temperature range is -60°F to 450°F
- Produces a fine bead, at the touch of a finger, for neater jobs and less waste
- No caulking gun or squeeze tube needed

12/cs
143501

FAST GASKET CLEAR

Gasket Maker - Clear

- A clear silicone rubber bonding and sealing compound in a convenient pressurized package
- 100% silicone provides permanent flexibility and adhesion.
- Effective temperature range is -60°F to 450°F.
- Produces a fine bead, at the touch of a finger, for neater jobs and less waste
- No caulking gun or squeeze tube needed

HIGH STRENGTH THREADLOCKER (red)

Thread-locking Adhesive and Sealant

- Seals against leakage around threads and eliminates the loosening of bolts. Prevents rust and corrosion and fills threads completely, preventing shrinking.
- Use for fasteners up to 1 in diameter
- Consistently allows gap filling up to 0.007 inches
- Large temperature range from -65°F to 300°F

12/cs
680801

REMOVABLE THREADLOCKER (blue)

General-purpose Thread-locking Adhesive & Sealant

- General-purpose medium-strength thread-locking adhesive and sealant for fasteners between 1/4 to 3/4 diameter
- Locks fasteners and prevents movement of screw threads
- Eliminates the loosening of bolts, but allows for removal when necessary with the use of hand tools.
- Prevents rust and corrosion
- Large range of temperature applications from -65°F to 300°F

BULK BRAKE CLEANER PROGRAM

Brake cleaning is one of the most competitive segments. This system offers a superior way to cut your cost of business by providing a cost effective and “environmentally aware” solution!

CUSTOMER PROFILE:

Purchases 10 or more cases of aerosol brake cleaner per month

PROGRAM BENEFITS:

Lower Cost-in-Use

- Up to 40% savings vs. aerosol
- 1 drum = 450 cans (15 oz)
- E-key manages drum inventory with re-order notifications
- Control shrinkage
- Equipment at no charge

Improved Productivity & Efficiency

- Ergonomically designed sprayer
- No need to crush and dispose of aerosols
- Proper fill and charge of specially designed 24 oz. sprayer

Environmentally Conscious

- Eliminate up to 5400 cans annually from waste stream
- Aerosol usage/CFC's reduced from atmosphere

SHURFILL (LOCK & KEY) BULK BRAKE DISPENSING SYSTEM

Package: 1/case
Zep Part #: 700040001

Replacement Part

- Free equipment (*Shurfill Unit & 5 Sprayers*) with 4 Drums annually and a 5 year agreement
- Free equipment (*Shurfill Unit & 8 Sprayers*) with 6 Drums annually with a 4 year agreement
- Free equipment (*Shurfill Unit & 10 Sprayers*) with 8 Drums annually with a 3 year agreement

PARTS WASHING

DYNA 143

Solvent Degreaser

- Low evaporation rate and vapor pressure assure minimal evaporative loss
- Higher flash point(143°F) as compared to mineral spirits (107°F), reduces flammability hazards of solvent use in the shop area and store room
- Economical, as it uses virgin solvent – when used in a filtered Zep parts washer, such as the Dyna Brute FB, the solvent is continuously recycled, while particles and oils are trapped in filters for disposal – this also alleviates the need to have waste solvent picked up and disposed of on a regular basis

DYNA CLEAN

Heavy-Duty Parts Washer

- Designed to reduce the generation of hazardous wastes and reduce or eliminate the need for expensive liquid hazardous waste removal. Multi-stage filtration allows solvent to remain effective for extended periods. Spring-loaded safety lid closes automatically in the event of a fire, and allows for easy opening and closing during normal use.
- Constructed of durable, heavy-gauge steel
- Submersible pump provides steady delivery of cleaning solvent through an adjustable flex-spout
- Separate hose-barb provided to accommodate installation of an optional Dyna Trap Filter Bag
- Each unit comes with a 30-gallon drum pedestal and Model 5100 Filtration System
- Also included: parts cleaning brush, plastic sink strainer, and magnetic rubber drain stopper

DYNA-100 FB

Agitating-Lift Parts Washer

- The Zep Dyna-100 FB is one of the largest agitating parts washers available
- Tank capacity: 85 1/4 gallons @ .75 freeboard ratio or 138 gallons @ .50 freeboard ratio (max fill)
- It features full Dyna-Filtration with two Model 5100 particulate filters and a connection for a Dyna-Trap filter bag (not included)
- Labor saving agitating platform cleans automatically without human hands with a handy flow through brush for manual cleaning of stubborn areas
- The Dyna-100 FB is the ideal selection for fast efficient cleaning of large, heavy dirty and greasy parts.

1 Unit
966501

DYNA-BRUTE FB

Prod.# 964101

35 Gallon Capacity (overall dimensions 43"x24"x35.5")

SUPER-BRUTE FB

Prod.# 961801

45 Gallon Capacity (overall dimensions 47.25"x24.125"x35.5")

Heavy-Duty Parts Washers

- Compliant with OTC Freeboard Regulation
- Uses Model 5100 filtration system with a filter change indicator to signal when the 5100 filter needs to be changed
- Designed for use in industrial plants, engine repair shops, machine shops, engineering departments, transmission shops, automotive repair facilities and service stations

Please refer to www.zepequipment.com for more parts washer options.

GROUNDS, BUILDINGS, MAINTENANCE

ULTRAWIPES

Large Blue Cloth Wipers

- Solvent-resistant lint-free non-woven cloth is excellent for glass, chrome, metal, and vinyl surfaces
- Use again and again for hands, tools, and equipment
- Can be used wet or dry

450 sheets/cs
895601

PEAT SORB

Hydrocarbon Absorbent

- Peat Sorb will work with the full range of oil-based products from crude oil, gasoline, PCB's, coal tars, fatty acids, hydrocarbon based inks and will solidify and absorb resins
- Non-abrasiveness makes it safe for use around machinery
- Key users would include fleet vehicle maintenance facilities, machine shops, heavy equipment maintenance facilities, maintenance shops and metal fabricators

1 bag
962201

3 bags/cs
962203

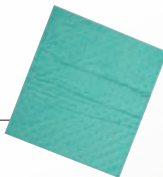

RAPID SORB PADS

Universal Absorbent Pad

- Universal Absorbent
- 16" x 18" pad provides continuous pick-up of spilled or leaking liquids
- Made of surfactant-treated, bonded polypropylene, the pad absorbs up to 15 ounces of water- or oil-based liquids.

100/cs
229401

ZEP-O-ZORB

Granular Absorbent

- Will not react with strong oxidizers, acids, and other chemicals
- Picks up 115-140% of its weight of water and 105-115% of its weight of oil
- Absorbs oil and grease before it can soak into concrete or wood.
- Picks up spilled flammable liquids and "locks them up", thus reducing fire hazards
- Applied to icy or wet floors, it reduces slip hazards by providing a rough, non-slide surface to walk
- USDA authorized
- Authorized for use as an absorbent or anti-slip agent for spot applications to floors in federally inspected meat and poultry processing plants

50 lb bag
230035

250 lb
230055

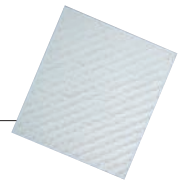

OIL ONLY ABSORBENT PADS

Pad Absorbent for Petroleum-based Liquids

- Absorbent pad designed for use on petroleum-based liquids only
- Made of high-quality, bonded polypropylene.
- 16" x 18" pad size
- Will skim oil from water surfaces
- Can be used with oil/water separator

100/cs
229901

ANTARCTICA

Ice Melt

- A blend of salts including calcium chloride flakes, which makes it one of the fastest acting ice melts on the market.
- Residual action with corrosion inhibitors
- Inert green indicator makes application visible
- No residue means less tracking and staining

4-11 lb jug/cs
356604

50 lb bag
356601

ANTARCTICA CMA

Ice Melt with CMA (Calcium Magnesium Acetate)

- Made with calcium chloride flakes, which makes it one of the fastest acting ice melter on the market.
- It will not leave an oily residue that can be tracked onto carpets or floors staining or attacking them
- Allows the bag to stand up for easy access
- The active ingredients in Antarctica with CMA allows it to attack the snow and ice with instant heat

50 lb bag
N62801

ICE MELT

Windshield De-Icer

- Aerosol formula instantly melts frost from windshields, headlights, and doors of autos, trucks, buses and trains
- Harmless on paint
- Thaws frozen locks
- Contains corrosion inhibitor

017601

RINGMASTER

All-Purpose, Acid Bathroom Cleaner

- An easy-to-use, water-dilutable bathroom cleaner that removes rust, scum, hard water deposit, and stains from porcelain, ceramic, chrome and stainless steel bathroom surfaces
- Contains a blend of mineral acids, emulsifiers, detergents, corrosion inhibitors, perfume and color
- The clinging, lime-green liquid insures complete coverage of vertical surfaces, while the color change to bright blue when rinsed or diluted with water insures complete rinsing.
- Can be used straight or as little as 1 ounce/gallon.
- Angle neck bottle makes it easier to clean hard-to-reach places

12 qt/cs
184611

Zep 40

Non-Streaking Cleaner for Non-Conductive Surfaces

- Rapidly removes dirt, film, fingerprints, tobacco smoke, grease and a variety of other oily and water-soluble soils
- Cleans almost any surface not harmed by water
- Designed especially to eliminate low temperature streaking problems
- Contains no phosphates or fluorocarbon propellants
- U.S.D.A. Applicable

12/cs
014401

NOTE: Not recommended for film-tinted windows or Plexiglas

ZEPYNAMIC A II

Phenolic Aerosol Disinfectant and Deodorant

- Disinfects thoroughly and rapidly kills bacteria, viruses and fungi on environmental surfaces. Reduces the hazards of cross infections
- Deodorizes and leaves a pleasant citrus fragrance behind
- Bactericidal – Kills both gram positive and gram negative bacteria including Pseudomonas aeruginosa, Salmonella enterica and Staphylococcus aureus
- Tuberculocidal – Kills the species: Mycobacterium Bovia
- Virucidal – Inactivates these agents: HIV-1, Herpes Simplex Types 1 and 2, Influenza A2 England Virus and Pandemic 2009 H1N1 (swine)
- Fungicidal – Kills Trichophyton mentagrophytes (athletes food fungus)

12/cs
351501

NOTE: This product is to be used on hard, nonporous surfaces only. See label for full list of claims.

WASP AND HORNET KILLER

Solvent Knockdown Spray

- Insects are killed on contact
- Jet Blast The spray projects 22 feet to ensure a safe distance during application
- Provides a complete kill to wasps, hornets and yellow jackets
- High Dielectric Strength – Nonconductive up to 47,300 volts

12/cs
028401

DUMPSTER FAIR

Industrial Odor Counteractant

- Just sprinkle Dumpster Fair on malodor—NO mixing—NO mess
- Biodegradable, contains no solvents, VOC compliant, non-acidic, non-caustic
- Pleasant pleasant fragrance
- Very concentrated so a little goes a long way
- Contains citronella oil – helps keep insects away from refuse areas
- Easy Disposal – just sweep and throw away

DURA SHOT™ SPRAYERS

Pressurized Liquid Sprayer

- Lightweight anodized aluminum reduces fatigue
- Easy fill
- Twist off cap (no tools required)
- Sprays in vertical and horizontal position
- 24 oz. capacity

DURA SHOT SP00021 (blue)	DURA SHOT S* SP00228 (black)
-----------------------------	---------------------------------

*For use with the Zep ShurFill Pressure Fill System (L90801)

SHURFILL PRESSURE FILL SYSTEM

Pressurized ShurFill for DURA SHOT S (SP00228)

- Built-in grounding cable for safety
- Convenience of aerosol dispensing with cost savings of a bulk product
- May be used with 1-gallon, 5-gallon, 20-gallon and 55-gallon product sizes
- Quick disconnect for air compression hook up

1 ea: L90801

MODEL 481 FOAMER

Hose-End Foaming Sprayer

- Pistol grip spray gun has built in disconnect coupling to easily rinse surface after applying foam
- Change dilution ratios by using individual metering tips (included)
- Holds 96 ounces of concentrate

1 ea: 834701

ZDS SYSTEM

1, 4 and 4+1 Product Bulk Fill Dispensers

- Part of Zep Dilution Solutions (ZDS), these unique chemical mixing systems provide simplicity, safety and one-handed convenience
- Designed for use in any institutional or industrial application where safe and accurate chemical dispensing is necessary
- Modular design allows conversion to another configuration with just a few snap-on parts

P-100 DRUM PUMP

Drum Dispenser

- For dispensing cleaner directly from drums
- Fits 2" drum openings
- Easily adjustable for 20, 35 and 55 gal. drum sizes

1 Pump: 675701

SAFETY DRUM PUMP

Drum Dispenser for Flammable Liquids

- Steel drum pump equipped with necessary flash suppressor and grounding clamps to safely conduct any static charge from product and containers when being used
- Pump dispenses eight ounces per stroke
- Allows flammable solvents to be pumped safely and easily

1 Pump: 679701

SAFETY PAIL PUMP

Pail Dispenser for Flammable Liquids

- Steel drum pump equipped with necessary flash suppressor and grounding clamps to safely conduct any static charge from product and containers when being used
- Pump dispenses 8 ounces per stroke
- Includes extension tube for 7 gal. pails
- Discharge nozzle allows adequate filling of most sprayers

1 Pump: F65701
