MILITARY/AVIATION PRODUCTS

- MIL-SPEC/Aviation Approved ■
- Increased Interoperability ■
- Safety & Compatibility ■

Whether you are focused on maintaining your aircraft, land vehicles or the appearance of your facilities, Zep has the right products to help you achieve interoperability, operational efficiency and reduced total cost of ownership. Zep is proud to offer a complete line of MIL-SPEC and Aviation approved products that provide superior performance with the added assurance of reliability, systems compatibility and safety.

Reducing the Total Cost of Ownership

■ Safety

MIL-SPEC and Aviation Approved products that meet or exceed required safety standards.

■ Operational Efficiency

Single source for all your chemical needs to help simplify procurement processes and ensure consistency

■ Increased Productivity

Advanced technologies for every area of your facility.

Depending on your location, this product may be restricted for use, could require a use exemption or require dilution to maintain product VOC regulation compliance. Contact your local Zep Rep to review your application, product choices and the appropriate VOC compliance rules for your area.
