

A Zep Company

Focused Sanitation Solutions for the

RED MEAT/PROTEIN INDUSTRY

BRAND PROTECTION

- Food Safety ■
- Operational Efficiency ■
- Reduced Cost-In-Use ■

Helping You Stay Compliant

We bring industry experience, training and a service-oriented approach to your business, working closely with you to solve the most difficult challenges. AFCO's sanitation experts will partner with you to help improve your food quality and safety programs, train your team members on safe and effective sanitation procedures, and help you stay compliant with the ever-changing regulatory environment and customer audit mandates.

Assure™ Sanitation Program

Food & Beverage Safety & Quality Assurance Program

- GMPs/Sanitation gap assessment audits
- Regulatory review assessments
- Plant inspection reports
- 3rd party SQF & BRC pre-assessment audits and plant certifications
- Color coded product labels
- Health & Safety wall charts
- Bilingual labels and SDSs

Quality Action Team

- Microbiological and Food Safety audits
- Bacterial identification, testing, and typing
- Sanitizer efficacy and shelf-life evaluations
- Continuous Improvement projects

Cost Control

- Continuous improvement through operational efficiencies
- Controlled chemical usage and reports
- AFCO/Customer reviews of operational and cost performance

Sanitation Program

- Facility surveys and safety scans
- Titration reports for chemical dispensing equipment
- Emergency and troubleshooting support
- Regular in-plant service visits and reports
- Titration test kit and reagents upkeep
- Online and in-plant customer training available
- Custom program manual and SSOP support
- Online Infobase Document Portal and customized myProgram available

Chemical Management

- Audit for proper labeling of chemicals and feed lines
- Audit of chemical cage

Equipment & Engineering Services

- Custom chemical delivery, datalogging, and dilution systems
- Preventative maintenance on chemical feed equipment
- CIP engineering and fabrication, programming support

Water Treatment Services

- Treatment of processing water, boilers, cooling towers, and wastewater
- Controlled natural gas/water usage and operation costs

■ Advanced Solutions

Complete portfolio of superior products and equipment designed for the Food and Beverage Processing Industry.

■ Focused Expertise

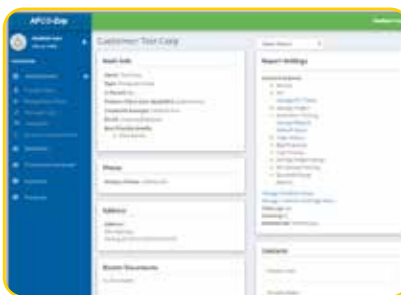

SQF and HACCP Educated Food Safety Specialists design and support your sanitation and safety programs to mitigate risk while controlling costs.

■ Superior Service

Our team works to help your business stay on track with regulatory compliance, providing everything from in-plant service to GFSI Audit preparation and training.

■ InfoBase & Online Training

AFCO offers 24-hr online access to your sanitation documents with InfoBase and to sanitation training videos with our Training Center.

InfoBase

Online Training Center

Quality Action Team

Our Quality Action Team of microbiologists, chemists, food scientists, audit specialists, SQF-certified staff and Six Sigma Black Belt engineers can assist you by troubleshooting and improving processes in your plant or by testing in our labs.

VALUE-ADD SERVICES

Bulk Chemical Delivery

AFCO can provide bulk chemical deliveries, please see your AFCO rep for more information.

Water Treatment Division

Our dedicated water treatment team focuses on every process in your plant, from incoming water to wastewater. Our team can save your plant money by:

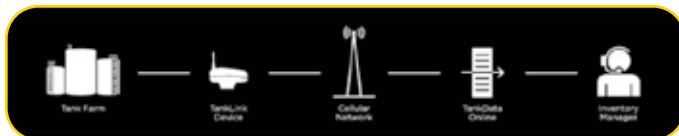

- Lowering natural gas/water usage
- Increasing lifespan & efficiency of capital equipment
- Lowering overall cost of operations

Wireless Bulk Chemical Tank Monitoring

AFCO has TankLink monitoring for all bulk tanks storing AFCO chemicals, which includes:

- 24/7 access to Tank Data Online anywhere in the world
- Data and alerts sent to your PC or mobile device to help you make the best inventory and delivery decisions
- A Mobile App making access easy for you or your driver via Smartphone, tablet, or other mobile device

EQUIPMENT AND FABRICATION SERVICES

Equipment and Fabrication

AFCO is your one-stop source for both sanitation products and the equipment you need to apply them. Our Equipment & Fabrication Department provides the equipment and expert installation that makes using your cleaning and

maintenance products convenient, cost efficient and highly effective. If you have specialized needs, we also provide Custom Equipment & Installation to solve your most difficult application and dispensing problems.

Custom
Multi-Tank
CIP System

- Central foaming and sanitizing systems
- Certified welders to fabricate custom solutions
- PLC programming to satisfy automation needs
- Chemical control and dispensing systems
- Conveyor lubrication systems and cleaners
- Wall mounted and portable foamers and sanitizers
- Data collection options to ensure system efficiency
- CIP system programming and integration
- Control panels fabricated in-house
- Entryway sanitizing systems
- Fogging units
- COP Tanks

HILLBRUSH CLEANING EQUIPMENT

AFCO carries a full line of Hillbrush color-coded, hygienic cleaning equipment, including:

- Brooms and brushes with Resin-Set DRS® filament retention technology
- Anti-Microbial Hygienic Tools™
- Metal and X-ray detectable Total MDX Hygienic Tools®

30-gal
Rolling Foamer
AF08FI-30N

Please see your AFCO rep for more information.

Discover & Deliver Value

1

Conduct comprehensive site survey. Review current sanitation program, procedures, and products used in all departments:

- **Processing Floor** — C&S, CIP/COP, Equipment, Bulk Tanks, Chemical Storage
- **Maintenance Repair Operations and Engineering**
- **Water Treatment** — Wastewater Boiler Treatment, Cooling Towers Process Water
- **Fleet** — Interior & Exterior of Trucks
- **Housekeeping** — Front Offices, Breakrooms, Restrooms, Laundry
- **Facility Supplies** — Brooms & Brushes, PPE, paper goods
- **EHS Opportunities** in each department (COVID-19 focus)

2

Spend time with Department Personnel to really understand challenges and pain points.

3

Present Solutions Presentation/Proposal within two weeks after site survey including opportunities for Continuous Improvement Programs and Cost Savings in each department.

Sphere of Service

PROTEIN INDUSTRY CLEANING & SANITATION PRODUCTS

ALKALINE/CAUSTIC FOAMING CLEANERS

■ FS Formula 4089

High-foaming, chlorinated caustic cleaner

PROD. # | 246524: 4-1 gal/cs | 246535: 5 gal | 246550: 20 gal | 246585: 55 gal | 246589: 275 gal

■ AFCO 5339 Super Power Foam

High-foaming, chlorinated chlorinated cleaner

PROD. # | 5339E: 5 gal | 5339F: 55 gal | 5339B: 265 gal

■ FS Process Cleaner

Heavy-duty, high foaming, multi-purpose cleaner

PROD. # | 294024: 4-1 gal/cs | 294035: 5 gal | 294050: 20 gal | 294085: 55 gal | 294089: 275 gal

■ AFCO 5249 Scrubbie

High-foaming, alkaline cleaner/degreaser

PROD. # | 5249T: 4-1 gal/cs | 5249K: 55 gal | 5316B: 265 gal

■ AFCO 8072 Cannon Foam FLC-3

A rich-foaming, heavy-duty liquid alkaline detergent

PROD. # | 8072F: 55 gal | 8072B: 265 gal

□ Morado Super Cleaner

Heavy-duty cleaner/degreaser

PROD. # | 085624: 4-1 gal/cs | 085635: 5 gal | 085650: 20 gal | 085685: 55 gal | 085689: 275 gal

■ AFCO 6019 CFT Superfoam

Chlorinated alkaline foam and high-pressure spray cleaner for external application on tanks, pipes, floors, and walls.

PROD. # | 6019T: 4-1 gal/cs | 6019E: 5 gal | 6019F: 55 gal | 6019B: 265 gal | 6019A: bulk/gal

■ AFCO 5255 Lance

A high-foaming alkaline general-purpose cleaner/degreaser designed for removing fat, grease, and oily soils from food processing equipment. Safe for soft metals when used as directed.

PROD. # | 5255E: 5 gal | 5255K: 55 gal | 5255B: 265 gal | 5255A: bulk/gal

■ AFCO 5316 Power Foam HD

Alkaline pressure spray and foam cleaner that cleans heavy fatty soils found in poultry plant shackles, eviscerating areas, and smokehouses. Also removes burned-on soils.

PROD. # | 5316T: 4-1 gal/cs | 5316E: 5 gal | 5316F: 55 gal | 5316BB: 265 gal

Health & Safety Product Color Coding

A key component of AFCO's Assure™ Sanitation Program includes a label color system that clearly denotes different product groups based on chemical differences to support and ensure proper and safe chemical handling.

- Acidic – pH values 0 to 5
- Alkaline – pH values 9 to 11
- Contains Chlorine
- Neutral – pH values 6 to 8
- Alkaline (corrosive) – pH values 12 and greater

ACID FOAMING CLEANER/DESCALER

■ AFCO 5282 McShine HF

High-foaming, blended acid cleaner/descaler

PROD. # | 5282T: 4-1 gal/cs | 5282E: 5 gal | 5282F: 55 gal | 5282B: 265 gal

ALKALINE/CAUSTIC CIP CLEANERS

■ AFCO 5229

Heavy-duty blended caustic ideal for use on high temperature processing equipment, kettle boilouts, and CIP. Contains foam control, water hardness conditioners, and is free-rinsing.

PROD. # | 5229E: 5 gal | 5229F: 55 gal | 5229B: 265 gal | 5229BB: 275 gal
5229A: bulk/gal

■ AFCO 5237 Super Alk HD

Designed to remove soils found in milk and food processing plants with hard water. It controls foam in CIP, boil out, egg washing, and high pressure systems.

PROD. # | 5237T: 4-1 gal/cs | 5237E: 5 gal | 5237F: 55 gal | 5237B: 265 gal
5237A: bulk/gal

ACID CIP CLEANER

■ AFCO 5380 Poni-Acid

Concentrated inorganic blend of acids especially designed for C.I.P. cleaning and for rapid removal of soils, scale, milkstone and stains.

PROD. # | 5380T: 4-1 gal/cs | 5380E: 5 gal | 5380G: 55 gal | 5380B: 265 gal | 5380A: bulk/gal

PROTEIN INDUSTRY CLEANING & SANITATION PRODUCTS

DIRECT INTERVENTION ANTIMICROBIALS

AFCO offers intervention products that are FDA-approved for direct food contact, which can extend product shelf life, along with:

- Dispensing and Metering Pumps
- Verification Systems
- Chemical Test Strips and Verification Supplies

■ AFCO 4364 Perasafe HM

FDA-approved peracetic acid-based antimicrobial agent that can be used at higher concentrations than other products.

PROD. # 4364E: 5 gal | 4364F: 54 gal

■ AFCO 4363 Perasafe 23

FDA-approved peracetic acid-based antimicrobial agent for use in federally inspected meat, poultry, seafood processing facilities.

PROD. # 4363E: 5 gal | 4363F: 53 gal | 4363B: 330 gal

■ AFCO 4360 Perasafe FC-100

Peroxyacetic acid/hydrogen peroxide-based microbiocide for use in federally inspected meat, poultry, seafood, and shell egg processing facilities, including certified organic processing. FDA-approved for use on products for export, subject to any importing country restrictions.

PROD. # 4360E: 5 gal | 4360F: 55 gal | 4360B: 300 gal

□ Keeper® Red Meat, Poultry, Seafood

Acidified Sodium Chlorite antimicrobial agent. Activate with AFCO 0236 50% Citric Acid Food Grade.

RED MEAT PROD. # 291935: 5 gal | 291985: 55 gal

POULTRY PROD. # 293135: 5 gal | 293185: 55 gal | 293189: 330 gal

SEAFOOD PROD. # 293335: 5 gal | 293385: 55 gal

INTERNAL CLEANING VERIFICATION COLOR-CHANGE TECHNOLOGY

■ AFCO 5567 TM Desana Max IC

Patented chlorine-free powdered CIP all-in-one cleaner/verifier. Easily dissolved in water, effective on all types of soils, easy-rinsing.

PROD. # 5567T: 225 - 1.9 oz packets/cs

■ AFCO 5542 TM Desana IC

Patented chlorinated alkaline CIP cleaner- verifier is for all-in-one use as a CIP cleaner for all internal surfaces, with detection and measured verification feedback for organics removed.

PROD. # 5542T: 4-1 gal/cs | 5542E: 5 gal | 5542F: 55 gal

■ AFCO 5566 TM Desana Liquid

Chlorine-free, highly concentrated CIP cleaner, effective at low concentrations for removal of all types of organic soils.

PROD. # 5566T: 4-1 gal/cs | 5566E: 5 gal | 5566F: 55 gal

■ AFCO 5565 TM Desana Basic

Chlorine-free liquid alkaline CIP cleaner formulated for heavy-duty treatments of beverage dispensing systems

PROD. # 5565T: 4-1 gal/cs | 5565H: 15 gal | 5565F: 55 gal

■ AFCO 5544 SMART CIP

Patented chlorinated alkaline CIP cleaner-verifier for all-in-one use as a standard CIP cleaner for all internal surfaces, with detection and measured verification feedback for organics removed.

PROD. # 5544T: 4-1 gal/cs | 5544E: 5 gal | 5544F: 55 gal

EXTERNAL CLEANING VERIFICATION

TM Smart Gel

Intelligent color indicator system that provides verification of cleanliness based on patented persulfate technologies. When applied to food processing equipment and surfaces it makes invisible soils & microbes visible by changing color.

PROD. # 5547X: Kit - 2 pairs per kit

FOOD SURFACE SANITIZERS

■ AFCO 4325 Per-Ox*

EPA-registered sanitizer/disinfectant containing peroxyacetic acid and hydrogen peroxide. Equipment can be sanitized by circulation, mopping, wiping, flooding, soaking, or by applying a coarse spray. Also for certified organic production.

PROD. # 4325E: 5 gal | 4325F: 53.5 gal | 4325B: 330 gal

■ AFCO 4390 Perafoam

Long-lasting foaming additive designed to be mixed with AFCO 4325 Per-Ox and then foamed on hard, non-porous food contact surfaces.

PROD. # 4390X: 12-1 L/cs | AF4390T: 4-1 gal/cs | AF4390E: 5 gal | AF4325F: 53.5 gal | AF4390F: 55 gal

■ AFCO 4367 Per-Ox Extreme*

EPA-registered sanitizer containing peroxyacetic acid and hydrogen peroxide, for CIP sanitizing of equipment.

PROD. # 4367E: 5 gal | 4367F: 53 gal | 4367B: 300 gal

■ FS Amine-Z*

Fifth-generation, quaternary ammonium chloride sanitizer, disinfectant (approved for fogging)

PROD. # 170023: 4-1 gal/cs | 170039: 5 gal | 170049: 20 gal | 170086: 55 gal | 170089: 275 gal

■ AFCO 4312 Vigil-Quat*

A complete, chemically-balanced disinfectant and sanitizer that provides clear use solutions even in the presence of hard water.

PROD. # 4312T: 4-1 gal/cs | 4312E: 5 gal | 4312L: 30 gal | 4312F: 55 gal | 4312B: 265 gal
4312BB: 275 gal | 4312A: bulk/gal

* See product label for complete DIRECTIONS & PRECAUTIONS.

PROTEIN INDUSTRY CLEANING & SANITATION PRODUCTS

■ AFCO 0251 Chlorilizer Plus*

12.5% Sodium hypochlorite sanitizer and disinfectant

PROD. # 0251T: 4-1 gal/cs | 0251E: 5 gal | 0251L: 30 gal | 0251K: 55 gal |
0251B: 265 gal | 0251BB: 330 gal

■ AFCO 5531 Sanifect D2 Plus*

2 in 1 cleaner and sanitizer, product application in both wet and dry processing environments.

PROD. # 5531X: 12-1 qt/cs | 5531T: 4-1 gal/cs | 5531E: 5 gal | 5531F: 55 gal | 5531B: 265 gal

■ AFCO 5503 Sanifect D2*

A no-rinse, ready-to-use, sanitizer applied by coarse spray, sponge, cloth, brush or immersion. It contains a combination of isopropyl alcohol and a powerful quaternary ammonium compound.

PROD. # 5503T: 12-1 qt/cs | 5503E: 5 gal | 5503F: 50 gal | 5503B: 265 gal

DRAIN AND DRIP PAN MAINTENANCE

□ MicroSolve Disinfectant Cleaner, Activator Solution, and Soft Metal Safe Activator Solution*

Foaming, PerQuat® based cleaner for biofilm removal. See label for full claims and usage instructions.

DISINFECTANT CLEANER PROD. # 287135: 5 gal | 287185: 55 gal

ACTIVATOR SOLUTION PROD. # 287435: 5 gal | 287485: 55 gal

SMS ACTIVATOR SOLUTION PROD. # 296235: 5 gal | 296285: 55 gal

DOORWAY/DRAIN SANITIZERS AND DISINFECTANTS

■ Door San*

High-foaming, 5th-generation quaternary ammonium chloride compound that can be used in entryway systems to prevent cross-contamination between processing areas. Effective in controlling small flies in drains.

PROD. # 236224: 4-1 gal/cs | 236235: 5 gal | 236285: 55 gal | 236289: 275 gal

■ AFCO 2550 Peroxy-Step

Powdered floor treatment for use as a continuous floor cleaner/deodorizer.

PROD. # 2550P: 45 lb | 2550G: 90 lb | 2550F: 350 lb

■ FS Floor Treatment

Quat-based powder which helps maintain floors and floor drains in food plants

PROD. # 576357: 275 lb

■ ZEP DRAIN CUTTER

Quat-based rings that maintain drains and eliminate sources of odor.

PROD. # M93001: 12 - 2 packs/cs

FREEZER AND COOLER CLEANERS

■ FS Cooler & Freezer Cleaner

Ready-to-use cleaner remains a liquid at temperatures as low as -40°F. No rinse required. APE restricted. Not for California.

PROD. # 166535: 5 gal

■ XT-1597 Low Temperature Freezer Cleaner

Ready-to-use cleaner remains a liquid at temperatures as low as -30°F. No rinse required. May be applied to floor with automatic scrubbing machine, brush, mop, or pump-up sprayer.

PROD. # 622585: 55 gal

■ AFCO 5663 Freezer Cleaner

Ready-to-use cleaner remains a liquid at temperatures as low as -30°F. No rinse required. May be applied to floor with a sponge, brush, mop, or pump-up sprayer.

PROD. # AF5663F: 55 gal

■ FS Formula 14865

Ready-to-use floor and wall freezer locker cleaner remains a liquid at temperatures as low as 0°F. No rinse required

PROD. # 293035: 55 gal

TRACK AND TROLLEY MAINTENANCE

■ AFCO 5733 Rail Magic

A mineral oil-based lubricant designed for use on chains and rails. Provides protection against corrosion and rust, and reduces chain tension, extending the life of equipment and motors.

PROD. # AF5733E: 5 gal | AF5733F: 55 gal

* See product label for complete DIRECTIONS & PRECAUTIONS.

TOOL CRIB

SOLVENT CLEANERS/DEGREASERS

Big Orange E (liquid)

Economical natural citrus degreaser and graffiti remover. Contains no caustics, acids, chlorinated or aromatic solvents.

PROD. # 048501: 12-gt/cs | 048524: 4-1 gal/cs | 048535: 5 gal
048550: 20 gal | 048585: 55 gal | 048589: 275 gal

ID Red (liquid)

Designed for use when extremely fast evaporation and no residue are desired. Effective solvent degreaser to remove oil, grease, and grime.

PROD. # 057024: 4-1 gal/cs | 057035: 5 gal | 057050: 20 gal
057085: 55 gal

Elec II Plus

Non-flammable, non-conductive cleaner for energized electrical equipment. Quickly removes soils without leaving a residue.

PROD. # 028301: 12/cs

PENETRANTS/LUBRICANTS

Sanitary Spray Lubricant

Formulated with the finest U.S.P. grade mineral oil for use primarily as a lubricant for food processing equipment. Leaves an almost invisible film which has excellent lubricating properties and water repellency. (H1).

PROD. # 24601: 4-1gal/cs

Zep 45 Dual Force

Superior dual-action penetrant and lubricant that doesn't compromise one for the other. Improved odor. Low VOC.

PROD. # 374301: 12/cs

PARTS WASHING

Dyna-Clean Basin and Drum

Solvent parts washer designed to reduce the generation of hazardous wastes and reduce the need for expensive liquid hazardous waste removal.

PROD. # 915201: complete system | 915502: parts washer with filtration system

Dyna 143

Solvent cleaner and degreaser for use with the Dyna-Clean system. A highly-refined, high-flashpoint, low-toxicity hydrocarbon solvent with a low evaporation rate.

PROD. # 036635: 5 gal | 036650: 20 gal | 036685: 55 gal

PLANT OPERATION HAND CARE

D-4000 Plus Dispenser

1-Gallon hand soap dispenser made of anodized aluminum and reinforced nylon for a durable, versatile unit that is nearly indestructible. Stainless steel pumping mechanism is resistant to corrosion, rust and abrasion. Dispenses 095124 Cherry Bomb, 090124 FS Antimicrobial Handcleaner, R54824 TKO, and 092524 Reach.

PROD. # 600101: each | 600110: 10/cs

FS Antimicrobial Hand Cleaner

Antimicrobial hand cleaner designed for elimination of cross-contamination in food processing facilities.(E2)

PROD. # 315324: 4-1 gal/cs | 315301: 12-32 oz/cs | 315311: 6-1L/cs | 315385: 55gal

E-2 Foaming Hand Soap

Superior, foaming antibacterial hand cleaner and sanitizer with PCMX. Rinse required.

PROD. # 099416: 4-2500 mL/cs

Cherry Bomb

Combines power of pumice with moisturizing emollients. Prevents dry, cracked hands. Not for California.

PROD. # INTRO SKU - 095120: 4-1gal/cs + dispenser | 095124: 4-1 gal/cs | 095150: 20 gal

TKO

Heavy-duty hand cleaner with pumice that cuts through dirt, grease and grime and moisturizes hands.

PROD. # R54824: 4-1 gal/cs

Reach

Heavy-duty industrial hand cleaner w/ pumice, almond-scented and enriched with lanolin and other emollients.

PROD. # 092524: 4-1gal/cs

Alcohol Sanitizer Spray

Alcohol-based USDA E-3 type hand sanitizer

PROD. # 090024: 4-1 gal/cs | 090085: 55 gal

RESTROOM HAND CARE

Fuzion Select and Touchless Dispensers

Dispensing versatility with your choice of pump for foam, spray or liquid products. Tamper-resistant, can be mounted to any type surface.

Select
S94501

Touchless
S93301

Fuzion Anti-Bacterial Foaming Hand Soap

Helps reduce bacteria and the spread of germs.

PROD. # 338816: 4-1200 mL/cs

Fuzion Alcohol Sanitizer Spray

Alcohol-based USDA E-3 type hand sanitizer.

PROD. # 135716: 4-1200 mL/cs

Fuzion Foaming Hand Wash

Dye-free and fragrance-free foaming hand wash. Its Ecologo certification makes it a leader in green products.

PROD. # 124516: 4-1200 mL/cs

* See product label for complete DIRECTIONS & PRECAUTIONS.

JANITORIAL AND RESTROOM CARE

JANITORIAL CLEANING SYSTEMS

1 Safe2Dose Dispenser

Flexible wall-mount dispenser with two levels of protection (chemical packaging and dispenser) that reduces spills and employee exposure. Color-coded and numbered system to ensure easy chemical identification.

PROD. # S93501: each

2 Safe2Dose Wire Rack

A wire rack that holds up to five 2-liter Safe2Dose bottles and is lockable.

PROD. # S92201: each

S2D ProVisions Pot & Pan Plus

A manual dishwashing detergent that cuts through grease and soils. It leaves no hard water film and has no fragrance added.

PROD. # N60401: 4-2L/cs

S2D ProVisions No-Rinse Sanitizer *

A disinfectant, deodorizer, sanitizer and virucide for use as a flood sanitizer or in 3-compartment sinks.

PROD. # N60901: 4-2L/cs

S2D Non-Acid Bathroom Cleaner (Greenlink)

A concentrated, all-purpose hard surface cleaner fortified with peroxide. Designed for light to medium-duty cleaning tasks.

PROD. # N68301: 4-2L/cs

S2D Apriza 2*

A concentrated, all-purpose hard surface cleaner and sanitizer fortified with peroxide. Designed for light to heavy-duty cleaning tasks.

PROD. # N68501: 4-2L/cs

S2D DZ-7 Disinfectant*

A neutral disinfectant cleaner designed to provide effective cleaning, deodorizing, and disinfection.

PROD. # N68901: 4-2L/cs

S2D Odor Counteractant

A powerful odor counteractant that chemically neutralizes the source of malodors and imparts a pleasant, long-lasting fragrance.

PROD. # N68801: 4-2L/cs

OFFICE AND RESTROOM CARE

Formula 50

An all-purpose, heavy-duty cleaner & degreaser that can be used to clean ceramic tile, composition and concrete floors, metal and unpainted machinery and whitewall tires.

PROD. # 085924: 4-1 gal/cs | 085935: 5 gal | 085950: 20 gal | 085985: 55 gal
085989: 275 gal

Formula 50 RTU

A ready-to-use, all-purpose cleaner that cleans all washable surfaces and removes stubborn stains while being non-abrasive.

PROD. # F50001: 4-1 gal/cs | F50035: 5 gal | F50085: 55 gal

Spirit II*

A ready-to-use quat-based disinfectant cleaner

PROD. # 067923: 4-1 gal/cs | 067909: 12-qt/cs | 067939: 5 gal

Ultra Wipes

Strong, reusable, lint-free cloths excellent for glass, chrome, metal, and vinyl surfaces, hands, tools, and equipment. Use wet or dry.

PROD. # 895601: 450/cs

Ringmaster

Mildly acidic all-purpose bathroom and tile cleaner, available in angle-neck bottle

PROD. # 184611: 12-qt/cs | 184624: 4-1 gal/cs | 184635: 5 gal

HVAC CLEANING AND MAINTENANCE

Odorid Maintenance Cartridge

Provides controlled release of chlorine dioxide to neutralize odors in food/beverage plants. One cartridge lasts 45 days.

PROD. # U56301: 18 cartridges/cs

Zeptabs Plus*

Contains a potent, broad-spectrum bacteriostat to control the growth of slime-forming bacteria which, left unchecked, can result in drain blockages and overflow of air-conditioning drain pans.

PROD. # 130012: 144/cs

* See product label for complete DIRECTIONS & PRECAUTIONS.

Protecting Your Brand

At AFCO, safety is incorporated into everything we do and goes well beyond the products we produce. It extends to the safety of your employees, protection of the environment, and most importantly, the safety of your food and beverage products and your consumers.

A successful food safety and sanitation program is the top priority of every food and beverage processing operation, and your local AFCO Rep is prepared to support that effort. Your staff will benefit from AFCO's programs and systems that are custom-designed specifically for your facility to enhance your overall microbial control program. This kind of customer collaboration is the cornerstone of our success in the food and beverage industry.

Professional Solutions Done Right.

Expertise that partners with you.
