Stellar Cleaning and Sanitation Solutions for the Brewing Industry

Truly stellar craft brewing requires spotless sanitation

Since 1937, Zep has been a true cleaning and sanitation partner to the beverage industry. Recently, Zep purchased AFCO, a leading specialty chemical and food safety provider serving the food and beverage processing industry. This combination brings together highly complementary portfolios and organizations and enables both companies to expand their service offerings and expertise. From beer stone removal to line lubrication, AFCO|Zep has all of your brewery cleaning and sanitation needs covered. Our high-performance products achieve high cleaning and sanitizing standards the first time, saving you labor, time, and money. AFCO|Zep's Food Safety Specialists are readily available to serve you with in-plant service visits, training, education on cleaning procedures, and maintenance services. You pay attention to every detail. Don't neglect this crucial one.

Stellar Cleaning in the Brewery Process

Preventing spoilage is made easy using three AFCO|Zep products throughout the brewing process:

CIP Cleaner | Acid Cleaner | Sanitizer

We offer many types of Cleaners and Sanitizers based on your equipment needs and preference.

What they're saying about Zep...

"Over the past several years Zep has provided exceptional service to Great Lakes Brewing Co. The quality of the product has made our cleaning processes more efficient and, in the end, it has helped us put out a high quality product. Service has been excellent from ordering, to inventory control, to help with unforeseen circumstances in the plant. I would recommend and have recommended Zep products to any brewery or production facility. Keep up the good work!!"

Mark Hunger
Brewmaster – Great Lakes Brewing Co.
Cleveland, OH

"We here at Sudwerk Brewing Company utilize Zep products in all facets of our CIP regimen (caustic, acids, sanitizers) and are very satisfied with the results time and time again. Their service is top notch as well. Jason, our sales representative, is great and always willing to help us when we have questions or need some advice when it comes to new processes or chemicals that we're looking to employ. Cheers Zep!"

Mike Hutson
Head Brewer – Sudwerk Brewing Co.
Davis, CA

Service with a Purpose

We bring brewery industry experience, training and a service-oriented approach to your business, working closely with you to solve the most difficult challenges. Our sanitation experts will partner with you to help improve your brewery quality and safety programs, train your team members on safe and effective sanitation procedures, and help you stay compliant with the ever- changing regulatory environment and customer audit mandates.

Assure[®] Sanitation Program

Food & Beverage Safety & Quality Assurance Program

- GMPs/Sanitation gap assessment audits
- Regulatory review assessments
- Quarterly plant inspection reports
- 3rd party SQF & BRC pre-assessment audits and plant certifications
- Color coded product labels
- Health & Safety wall charts
- Bilingual labels and SDSs

Cost Control

- Continuous improvement through operational efficiencies
- Controlled chemical usage
- Zep/Customer reviews of operational and cost performance

Sanitation Program

- Facility surveys
- Written service and inventory/cost control reports
- Titration reports for chemical dispensing equipment
- 24/7 support availability
- Regular in-plant service visits
- Titration test kit and reagents upkeep
- Online and in-plant customer training available
- Custom program manual and SSOP support
- Online Master Sanitation Scheduler (MSS) and MySanitation Program available

Chemical Management

- Audit for proper labeling of chemicals and feed lines
- Audit chemical cage

Equipment & Engineering Services

- Custom made chemical delivery and dilution systems
- Preventative maintenance on chemical feed equipment
- CIP engineering and fabrication, programming support

Professional Solutions Done Right.

Expertise
that partners
with you.

"Piece Brewing feels cleaning and sanitation is very important from Kettle to Glass in the brewpub. We get great service from Karl and sleep easy at night knowing that AFCO|Zep has brewing chemicals and beer line cleaners that are superior to the competitors. I would recommend AFCO|Zep to any brewer.

Keep up the good work!"

JC
Brewmaster – Piece Brewing
Chicago, IL

Health & Safety Product Color Coding

A key component of AFCO|Zep's Assure® Sanitation Program includes a label color system that clearly denotes different product groups based on the pH value or if they contain chlorine to support and ensure proper and safe chemical handling:

■ Acidic – pH values 0 to 5	■ Neutral – pH values 6 to 8
■ Alkaline (non-corrosive) – pH values 9 to 11	■ Alkaline (corrosive) – pH values 12 and greater
■ Contains Chlorine	

Internal Cleaning CIP CLEANERS

ALKALINE / CAUSTIC CIP CLEANERS

AFCO 2548 WASH IT

A buffered alkaline peroxide-based cleaner specifically designed for use as a CIP cleaner in breweries. Effective in removing protein soils.

2548E: 50 lb 2548F: 400 lb

ZEP FS CHLOR 5

Low-foaming, chlorinated, powdered circulation cleaner

115750: 200 lb 115780: 500 lb

5222 HD CIP 201

Phosphate-free chlorinated alkaline cleaner designed for circulation and CIP of processing equipment. Leaves stainless steel tanks and pipes bright and film-free. Designed for hard water use.

5222T: 4-1 gal/cs 5222E: 5 gal 5222H: 15 gal 5222F: 55 gal 5222B: 265 gal 5222A: bulk/gal

AFCO 5229

Heavy-duty blended caustic ideal for use on high temperature processing equipment, kettle boilouts, brewhouse CIP. Contains foam control, water hardness conditioners, and is free-rinsing.

5229E: 5 gal 5229F: 55 gal 5229B: 265 gal 5229BB: 275 gal 5229A: bulk/gal

AFCO 5235 Super CIP 200

Heavy-duty caustic cleaner designed for use as a CIP cleaner. Prevents the formation of hardness scale or film on equipment.

5235T: 4-1 gal/cs 5235E: 5 gal 5235H: 15 gal 5235F: 55 gal

ZEP FS C.I.P. CLEANER

Low-foaming, liquid chelated circulation/boil-out cleaner

166935: 5 gal 166950: 20 gal 166985: 55 gal 166989: 275 gal

HD 2000

Non-foaming, heavy-duty caustic cleaner designed for CIP cleaning

5302E: 5 gal 5302H: 15 gal 5302F: 55 gal 5302B: 265 gal 5302A: bulk/gal

HD 3000

Non-foaming, heavy-duty caustic cleaner designed for CIP cleaning

5303T: 4-1 gal/cs 5303E: 5 gal 5303F: 55 gal 5303B: 265 gal 5303A: bulk/gal

AFCO 34% Hydrogen Peroxide

Hydrogen peroxide additive for caustic CIP. Suitable at all temperatures to assist in removing tough soils and carbon burn-on, where a non-chlorine oxidizer is needed.

4307E: 5 gal 4307H: 15 gal 4307F: 55 gal 4307B: 265 gal

Internal Cleaning

CIP CLEANERS

ACID CIP CLEANERS

AFCO 4308 HYPERCLEAN BOOST

Blended peroxide based pretreatment. Use prior to caustic wash in CIP cleaning. Can be used as a caustic additive when dispensed according to your AFCO rep.

4308F: 55 gal

AFCO 5380 PONI ACID

Liquid, low-foaming concentrated acid for removal of inorganic soils (beerstone) and mineral films, effective for circulation and soak cleaning in cold/warm water.

5380T: 4-1 gal/cs 5380E: 5 gal 5380G: 55 gal 5380B: 265 gal 5380A: bulk/gal

AFCO AR-100 LF

Liquid, low-foaming acid designed to replace cleaners containing phosphoric, sulfamic, citric, hydroxyacetic, or nitric acid. Can be used for CIP or soak cleaning for removal of milkstone, beerstone, hardness scale, and rust stains.

5490T: 4-1 gal/cs 5490E: 5 gal 5490H: 15 gal 5490F: 55 gal 5490A: bulk/gal

ZEP FS FORMULA 3685

Low-foam, blended acid circulation detergent/descaler and COP tank cleaner

249424: 4-1 gal/cs 249485: 55 gal

ZEP APEX ACID CIP CLEANER

Economical, low-foaming, acid circulation detergent/descaler

237485: 55 gal 237489: 275 gal

BEER LINE CLEANING AND CIP VERIFICATION - APPROVED BY MAJOR BREWERIES

TM DESANA IC

Designed for brewery draught lines, this patented chlorinated alkaline CIP cleaner-verifier is for all-in-one use as a CIP cleaner for all internal surfaces, with detection and measured verification feedback for organics removed.

5542T: 4-1 gal/cs 5542H: 15 gal 5542F: 55 gal

SMART CIP

Patented chlorinated alkaline CIP cleaner-verifier for all-in-one use as a standard CIP cleaner for all internal surfaces, with detection and measured verification feedback for organics removed.

5544T: 4-1 gal/cs 5544E: 5 gal 5544F: 55 gal

TM DESANA BASIC

Chlorine-free liquid alkaline beer line cleaner formulated for heavy-duty treatments of beverage dispensing systems.

5565T: 4-1 gal/cs 5565H: 15 gal 5565F: 55 gal

TM DESANA MAX IC

Patented chlorine-free powdered draft line all-in-one cleaner/verifier. Easily dissolved in water, effective on all types of beer soils, easy-rinsing.

5567T: 225 - 1.9 oz/cs

AFCO SMART ADD A

Patented chlorine-free internal verifier. Suitable for detection, measurement and removal of organic substances when added to NaOH solution. Can be fully integrated into new or existing CIP systems.

5545E: 5 gal

AFCO SMART ADD B

Use with 5545E Smart Add A

5548L: 30 gal

TM DESANA LIQUID

Chlorine-free, highly concentrated draught line cleaner, effective at low concentrations for removal of all types of beer soils.

5566T: 4-1 gal/cs 5566F: 55 gal

External Cleaning

ALL EQUIPMENT, WALLS AND FLOORS

ALKALINE / CAUSTIC FOAMING CLEANERS

AFCO 5339 SUPER POWER FOAM CL

Chlorinated alkaline foam for external application on tanks, pipes, floors, and walls. Highly effective on all types of organic soils and is free-rinsing.

5339T: 4-1 gal/cs 5339E: 5 gal 5339F: 55 gal 5339B: 265 gal 5339A: bulk/gal

FS PROCESS CLEANER X-4490

Heavy-duty, high foaming, multi-purpose cleaner/degreaser

294024: 4-1 gal/cs 294035: 5 gal 294050: 20 gal 294085: 55 gal 294089: 275 gal

AFCO 1078

A slightly alkaline, liquid water conditioner/softener. When used correctly, it will prevent hard water scale on equipment.

1078E: 5 gal 1078K: 55 gal

MODEL 481 FOAMER

Requires only normal tap water pressure to produce a foaming cleaner.

834701

2 GALLON PUMP UP FOAM UNIT

For spot-cleaning with foaming cleaners, easy to transport.

M79401

HILLBRUSH CLEANING EQUIPMENT

AFCO|Zep carries a full line of Hillbrush cleaning equipment.

Please see your AFCO|Zep rep for more information.

ACID FOAMING CLEANERS / METAL BRIGHTENERS

AFCO 5282 MCSHINE HF

Acid-based foaming cleaner for external tanks, pipes, floors, and walls. Highly effective at removing mineral stains and maintaining stainless steel surfaces.

5282T: 4-1 gal/cs 5282E: 5 gal 5282F: 55 gal 5282B: 265 gal 5282A: bulk/gal

EXTERNAL CLEANING VERIFICATION

TM SMART GEL

Intelligent color indicator system that provides verification of cleanliness based on patented persulfate technologies. When applied to food processing equipment and surfaces it makes invisible soils & microbes visible by changing color.

5547X: Kit - 2 pairs per kit

MULTI-ANGLE PUMP-UP SPRAYER

Portable pressurized sprayer that sprays at any angle, even upside down!

FMP00087: each - 2 liter

Please ask about our other cleaning and sanitizing equipment options.

Internal Sanitizing

CIP SANITIZERS

External Sanitizing

ALL EQUIPMENT, WALLS AND FLOORS

PER OX SAN

EPA-registered sanitizer/disinfectant containing peroxyacetic acid and hydrogen peroxide. Equipment can be sanitized by circulation, mopping, wiping, flooding, soaking, or by applying a coarse spray.

4325E: 5 gal 4325H: 15 gal 4325F: 55 gal 4325B: 330 gal

AFCO 4365 HYPER FLEX

Phosphate-free, no-rinse, one-step acid sanitizer containing peroxyacetic acid, hydrogen peroxide, and nitric acid. Used for CIP, COP, pipeline, silo, tank, and equipment sanitizing.

4365E: 5 gal 4365F: 55 gal 4365B: 265 gal

PRO-OXINE SANITIZER

Stabilized chlorine dioxide sanitizer

295035: 5 gal 295085: 55 gal

4367 PEROX EXTREME 15%

EPA-registered sanitizer/disinfectant containing peroxyacetic acid and hydrogen peroxide, for CIP sanitizing of equipment.

4367E: 5 gal 4367F: 53 gal 4367B: 300 gal

AFCO 4330 SPARK I2

A concentrated broad spectrum iodophor approved for use as a no-rinse sanitizer on hard, non-porous surfaces.

4330T: 4-1 gal/cs 4330E: 5 gal 4330F: 55 gal

AFCO 4312 VIGILQUAT

A powerful liquid sanitizer, disinfectant, and deodorizer. When evaluated by accepted laboratory procedures, Vigilquat provides superior germicidal activity far beyond that achieved with currently available quaternary ammonium compounds.

4312T: 4-1 gal/cs 4312E: 5 gal 4312L: 30 gal 4312F: 55 gal 4312B: 265 gal
4312BB: 275 gal 4312A: bulk/gal

BREWERY TEST KIT

INCLUDES:

- pH Strips, 0-14
- Caustic Test Kit
- Acid Test Kit
- PAA Strips
- Peracetic Acid Test Kit

USP07452: each

External Maintenance | EQUIPMENT

TM SMART TRACK BASIC

Unique dry lubricant for all packages on plastic belts. Specially designed and engineered application system.

5546F: 55 gal

TM SMART TRACK

Unique dry lubricant for all packages on plastic belts. Specially designed and engineered application system.

5564E: 10 kg drum

AFCO 5560 CLEAN TRAC S

Low-foaming synthetic chain lubricant for use in automated central dosing units. Keeps conveyor belts in clean condition. Applies for all levels of water hardness. Suitable for PET.

5560E: 5 gal 5560F: 55 gal 5560B: 265 gal 5560A: bulk/gal

X-571 LUBRICANT

Water-based (H2) chain lubricant protects bearing surfaces on conveyors against excessive wear. Reduces chain drag, reducing power load on conveyor chain drive motors.

487585: 55 gal 487589: 275 gal

PET LUBE (XT-4399)

Concentrated, liquid, high-detergency dry lubricant protects bearing surfaces on conveyors against excessive wear. Reduces chain drag, reducing power load on conveyor chain drive motors. Removes soil build-up and keeps conveyor clean and odor-free.

F33785: 55 gal F33789: 275 gal

FIVE STAR

Non-flammable polish cleans and polishes virtually all metals including: brass, chrome, stainless steel, copper, silver, gold, aluminum, magnesium, aluminum alloys, nickel, zinc, tin, bronze, and pewter. Removes tarnish and lime deposits and protects from rust and tarnish.

139604: 4-2.2 lb 139606: 6-6.3 oz

SELCOSHINE

Water-based aerosol foam polish cleans, polishes, and protects stainless steel, aluminum, copper, brass, Formica, and chrome in one easy step. Long-lasting protection repels fingerprints, dust, dirt and smudges and adds glossy shine without leaving an oily residue. Pleasant lemon scent.

853101: 12/cs

Tool Crib / Maintenance

INDUSTRIAL HAND CARE / LUBRICANTS / PENETRANTS

INDUSTRIAL HAND CARE

D-4000 PLUS DISPENSER

1-Gallon Hand Soap Dispenser made of anodized aluminum and reinforced nylon for a durable, versatile unit that is nearly indestructible. Stainless steel pumping mechanism is resistant to corrosion, rust and abrasion. Dispenses 095124 Cherry Bomb and other hand cleaners.

600101: each

CHERRY BOMB

Heavy-duty hand cleaner that combines the power of pumice with moisturizing emollients so your hands feel great even with repeated washes. Its solvent formula spreads, captures, and holds grease and has a light cherry fragrance.

095124: 4-1 gal/cs 095150: 20 gal INTRO SKU - 095120: 4 gal/cs + dispenser

CHERRY BOMB WIPES

Heavy-duty, abrasive, hand cleaner towel designed to scrub away tough soil while being easy on hands. VOC Compliant.

346601: 4 tub/cs

SHELL SHOCK

Heavy-duty hand cleaner with soy solvents and walnut shells to naturally and effectively loosen and clean tough grime. Popular apple cinnamon fragrance.

084923: 4-1 gal/cs INTRO SKU - 084920: 4 gal/cs + dispenser

ZEP FS ANTIMICROBIAL HANDCLEANER

Antimicrobial hand cleaner and sanitizer designed for elimination of cross-contamination in food processing facilities.(E2)

090124: 4-1 gal/cs

GREASES / LUBRICANTS / PENETRANTS

SANITARY SPRAY LUBRICANT

Formulated with the finest U.S.P. grade mineral oil for use primarily as a lubricant for food processing equipment. Leaves an almost invisible film which has excellent lubricating properties and water repellency. (H1).

024601: 12/cs

WHITE SLIDE

Premium grade, white, aluminum complex grease for use in food processing facilities where incidental food contact may occur. Lubricates, seals, and protects a wide variety of moving parts. (H1)

301401: 10/cs

ZEP 45 LUBRISIL NC

Heavy-duty lubricant and release agent composed of selected solvents and silicones. Reduces friction and stops squeaks in wheels, bearings and moving parts. (H1)

325801: 12/cs

ZEP 45 LUBRIDRY

Silicone-based lubricant that offers lubrication to a wide variety of surfaces and machinery and reduces friction and squeaking. Dries quickly. (H1)

678501: 12/cs

ZEP 2000

Clear, long-lasting lubricant for high-speed, high-temperature, high-pressure or high-vibration applications requiring constant lubrication. USDA applicable (H2). Provides maximum penetration. Resists water "wash-out" to help prevent rust and corrosion.

416401: 12/cs

ZEP 45 DUALFORCE

Superior dual-action penetrant and lubricant that doesn't compromise one for the other. Improved odor. 50 state compliant.

374301: 12/cs

Professional Solutions Done Right.

Expertise that partners with you.

Tool Crib / Maintenance

SPECIALTY / CLEANERS / DEGREASERS

SPECIALTY

PIPE SEAL

Curing sealant formulated for all types of tapered or threaded metal piping, including stainless steel, Monel, and aluminum.

925701: 10/cs

PEAT SORB

Dry hydrocarbon absorbent powder designed to instantly encapsulate hydrocarbon spills and hold them, preventing their release back into the environment. Will not absorb water, only the oil on water. Can be incinerated or disposed of in landfills.

962201: 2 cu ft bag

FOAMING COIL CLEANER

Aerosol formulated to simplify the task of maintaining efficient operation of evaporator coils on window and rooftop air conditioner units. Quickly penetrates soils on coil surfaces to loosen and flush away with condensation.

020201: 12/cs

STAYFRESH MAINTENANCE CARTRIDGE

Provides controlled release of chlorine dioxide to clean and maintain the coils on cooling units. One cartridge lasts 30 days.

R90602: 16 cartridges/cs

ZEPTABS PLUS

Contain a potent, broad-spectrum bacteriostat which controls slime build up, drain pan overflow and the growth of harmful bacteria in air-conditioning drain pans.

130002: 24/cs

CLEANERS / DEGREASERS

ELEC II PLUS

Nonflammable, nonconductive, VOC-compliant electrical contact cleaner for circuit boards and electronic parts. Quickly removes oil, grease, lint, flux, dirt, moisture from electronics without leaving a residue.

028301: 12/cs

BIG ORANGE E

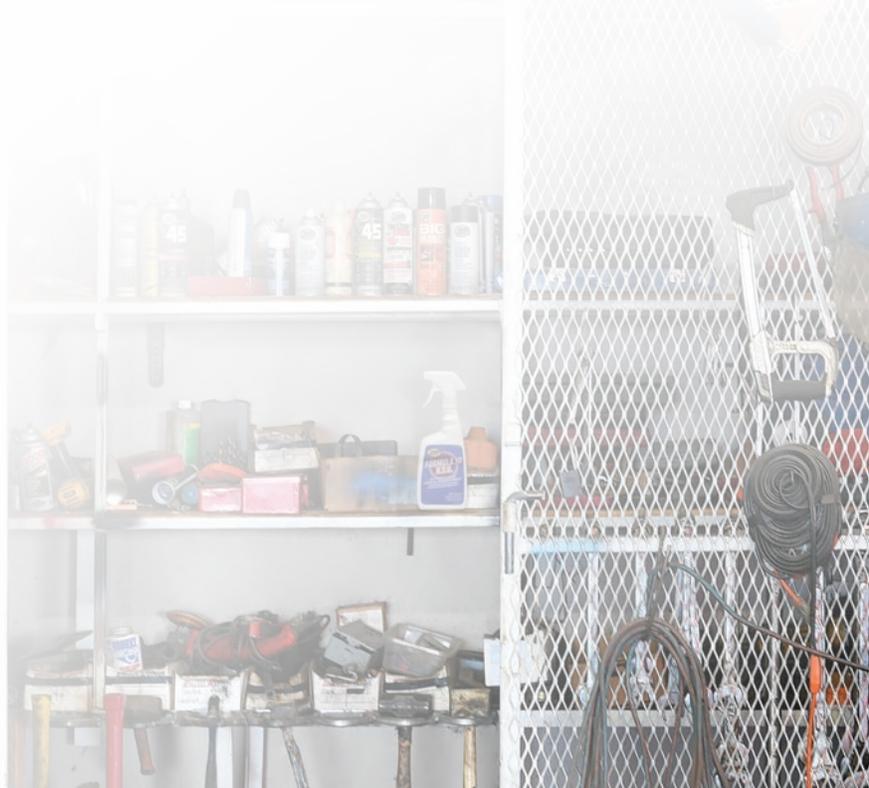

Heavy-duty aerosol degreaser that contains a blend of natural citrus and biodegradable organic degreasers. Contains no CFCs, caustics, acids, chlorinated solvents or petroleum, and rinses with water.

018501: 12/cs

MORADO

Heavy-duty industrial cleaner used to spot clean concrete floors and other types of floors. It quickly removes a wide variety of greasy and carbonaceous soils.

085624: 4-1 gal/cs 085635: 5 gal 085650: 20 gal 085685: 55 gal 085689: 275 gal

Taproom & Kitchen

CLEANERS & SANITIZERS

TABLE AND FOOD SURFACE SANITIZING

KITCHEN SURFACE SANITIZER

A ready-to-use no-rinse food contact surface quat sanitizer for use in food preparation areas.

105809: 12-qt/cs

FS FORMULA 12167

A liquid chlorine sanitizer and deodorant

242924: 12-qt/cs 242935: 5 gal 242985: 55 gal

FS AMINE Z

Fifth-generation, quaternary ammonium chloride sanitizer, disinfectant

RED SANITIZER BUCKETS

Easily identifiable container for sanitizing solutions

C69912

THREE COMPARTMENT SINK

PROVISIONS® POT AND PAN PLUS

Phosphate-free dish wash detergent cuts and emulsifies grease and soils

151324: 4-1 gal/cs 151335: 5 gal

PROVISIONS® NO-RINSE SANITIZER

Concentrated disinfectant, sanitizer, deodorizer and virucide for use as a flood sanitizer or in 3-compartment sinks

155424: 4-1 gal/cs 155435: 5 gal

STAINLESS STEEL MANUAL PUMP

One push of the plunger draws liquid detergent or sanitizer from any size container. Mounts directly to any wall or sink.

301 Y Detergent Pump: 682301

301 R Sanitizer Pump: 682201

MIXING STATION II

Dispenses detergent and sanitizer in three compartment sinks

F07301

ADDITIONAL TAPROOM / KITCHEN CLEANERS

OVEN BRITE

Heavy-duty, clinging, industrial stove and oven cleaner that quickly removes carbon deposits, greasy wastes, and baked-on foods from ovens, grills, hoods, griddles, racks, burners, rotisseries, and drip pans.

104801: 12-qt/cs 104824: 4-1 gal/cs 104835: 5 gal

FS COOLER & FREEZER CLEANER

Ready-to-use cleaner remains a liquid at temperatures as low as -40°F. No rinse required.

166535: 5 gal pail

A-ONE

Low-foam cleaner that can be used in autoscrubbers and pressure washing. Great for concrete floors.

126924: 4-1 gal/cs 126935: 5 gal 126950: 20 gal

pH PERFECT

Low-foam, neutral pH, general purpose cleaner designed for manual and automatic floor scrubbing. Safe for use on water-based floor finishes.

072924: 4-1 gal/cs 072935: 5 gal

PROVISIONS® LIME AND SCALE REMOVER

Acidic detergent removes film from glassware, removes scale from dishwashers, stainless and aluminum equipment and utensils

157901: 12-qt/cs 157924: 4-1 gal/cs

DOSATRON BEER LINE CLEANING SANITATION CENTER

Water-powered chemical dispenser provides optimum cleaning of tap lines. Controlled proportioning saves product, servicing costs, and time.

M21201

TAP RINSING BALL

An effective tool for breweries to rinse out faucets.

AF90260001

Office and Restroom Care

CLEANERS, HAND CARE AND AIR CARE

FRONT OF HOUSE HAND CARE

FUZION SELECT AND TOUCHLESS DISPENSERS

Dispensing versatility with your choice of pump to dispense foam, spray or liquid products. Has an elegant look that can be used anywhere and mounted to any type surface.

FUZION ANTI-BACTERIAL FOAMING HAND SOAP

Helps reduce bacteria and the spread of germs. Fortified with emollients for skin softening with a pleasant fresh scent.

338816: 4-1200 mL/cs

FUZION ALCOHOL SANITIZER SPRAY

Alcohol-based USDA E-3 type hand sanitizer.

135716: 4-1200 mL/cs

FUZION FOAM HAND WASH

A dye-free and fragrance-free foaming hand wash. Its Ecologo certification makes it a leader in green products.

124516: 4-1200 mL/cs

PEAR LIQUID HAND SOAP - COUNTERTOP BOTTLE

Pear-scented combination of mild, yet effective soaps and emollients with an antibacterial agent to help reduce bacteria.

333901: 6-500 mL/cs

INSTANT HAND SANITIZER - DESKTOP BOTTLE

Alcohol-based hand sanitizer formulated to be used without water or towels.

087801: 6-500 mL/cs

Fuzion Select
(S94501)

Fuzion
Touchless
(S93301)

AIR CARE

METER MIST 3000 ULTRA

METER MIST 3000 ULTRA PLUS (WITH LCD PANEL)

Easy-to-program—meters an exact amount of odor control. Innovative light-sensing technology.

689701: Ultra 689801: Ultra Plus

Meter Mist Aerosols

Odor counteractants for use in the 3000 Ultra Plus and 3000 Select dispensers.

336201: Blue Sky - 12/cs 333001: Mandarin Orange - 12/cs 340601: Fresh Linen - 12/cs
